

## 2021-22 AP Exam Registration Directions

Taking the Advanced Placement exams is an important part of all AP courses. Warren Mott High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often allow students to earn college credit for their high school class, saving a significant amount on tuition.

For the 2022 AP exams, students at Warren Mott High School will be making payment through RevTrak (online), using a debit or credit card. This registration will take a few minutes and can be completed from any computer or smart phone with internet access.

Each AP exam costs \$96.00. Warren Mott High School desires that every student be able to take their AP exams. Students that have already been approved for free or reduced lunch will be approved for College Board's reduced cost and with the assistance from the state of Michigan, \$5.00/per exam.

### **Please follow these steps to make payment and confirm your registration:**

1. RevTrak for payment (by debit or credit card) can be found using this link:  
<https://warren.revtrak.net/Campuses/Warren-Mott-High-School/wmhs-ap-exams/#/list>
2. Login to your CollegeBoard account. Be sure you used the Join Code provided by your AP teacher(s). Confirm choice to take test is Yes.

**We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.**

### **• Sunday, November 7<sup>th</sup>, 2021 Registration Closes**

***\*\*All students who currently plan to take AP Exams should register now so you don't incur an additional \$40 late fee from CollegeBoard. Registering after November 7<sup>th</sup> will incur a late fee.***
