

Ascension Michigan School-Based Health Centers

Ascension Southeast Mi Community Health currently operates 25 Ascension Mi School-Based Health Centers: within the Detroit Public Schools Community District, Covenant House, Clintondale School System, Warren Consolidated Schools District, Oak Park School District, Southfield School District, Hazel Park School District, Centerline School System, within the Cornerstone Schools, Sturgis Public Schools and 1 School-Linked Health Center in Sturgis, Mi.

The Ascension Michigan School-Based Health Centers are an initiative of Ascension SE Michigan Community Health, committed to improving the quality of life for the communities we serve. Our mission is to provide comprehensive health care and health education for our students and to promote the healthy future of our communities by addressing the developmental, physical and emotional needs of our children. Healthier children; fewer missed school days. More young people are better equipped to settle disagreements peacefully. These are some of the goals of Ascension Michigan School-Based Health Centers. By providing easier access to health care, we are helping to ensure the improved health, well-being and success of our youth. Our programs nurture body, mind and spirit through traditional physical care as well as mental, emotional and spiritual support.

Medical Services

The Health Centers offer various medical and mental health services, which are tailored for each site. Medical services provided for the students, school staff and community include:

- General health assessments
- Immunizations
- Gynecological exams and Pap smears
- Laboratory and diagnostic testing
- Dental, vision and hearing screening
- Sports physicals
- Pregnancy testing
- Sexually transmitted disease testing, treatment and counseling
- Nutritional counseling
- Specialist referrals

Counseling services

- Individual and group counseling
- Family counseling
- Substance abuse
- Behavioral modification

Additional Services

The Health Center offers, through our partnerships:

- Vision Exams
- Glasses
- Dental Exams
- Cleanings
- Restorative Care (extractions, fillings)

Program Services

The Health Centers offer a myriad of programs and services. The programs offered are developed based on a survey administered to students and parents of the targeted school population. The survey assesses the needs of the students and parents, which are unique to each school population. Based on the survey, the Health Centers currently offers the following programs and services:

- Making a Difference – HIV/AIDS Prevention and Abstinence education
- Safe Dates – a dating and relationship/domestic violence prevention program.
- Life Skills – Interpersonal skill development, including coping and decision-making
- Red Flags – Depression Awareness & Identification and Suicide Prevention
- Deep Breath – Asthma management/education and asthma camp
- Diabetes Education & Management
- KidMILES – Nutrition and exercise programs & Free Press Marathon
- WHYTRY – Violence, drug & alcohol, and drop-out prevention education
