Are you mechanically-inclined and want to get some work experience in a manufacturing environment?

Look no further - We're looking for YOU!

CBS Boring and Machine Company, Inc. is a privately-held, non-union machine shop that specializes in precision machining of parts for the large diesel engine and automotive industries.

We are committed to your continued education and success in the skilled trades, and offer Apprenticeships, Co-ops, On-the-job training, and Tuition Reimbursement!

With locations in Fraser and Mount Clemens, we're close to you!

Positions available (Must be 18 or over to apply):

- General Labor
- Rework Bench Hand
- CNC Machinist
- Quality Inspection

Please submit a resume and/or cover letter to:
hrresumedept@gmail.com to apply now!
