

Mt Everest Maintenance is a 20-year-old residential/commercial construction and landscaping company looking to hire enthusiastic permanent full-time prospects looking to get experienced in all facets of the construction and landscaping industries. Learn valuable skills on the job. This is a fantastic opportunity for a self-starter looking to advance in the construction industry.

The right applicant will gain valuable experience in new construction, remodeling, concrete work, ceramic tile installation, and landscaping. The right individual can learn how to run a construction project from inception to completion.

We are willing to hire both experienced and inexperienced individuals who are looking to begin a career in the construction and/or landscaping industry.

We offer safe, educational training on the job as well as opportunities for advancement and a competitive salary.
