Regular attendance is required by the student in order for the student to earn the required mandated 1500 hours (750 hours/per school year) to become eligible to take the Michigan State Licensing Board of Cosmetology exam. Students make-up hours are available, upon teacher's approval, time is available for only one hour per week after the school day from 5:33-6:33pm on a limited twenty student sign-up maximum per session.
