

DUAL ENROLLMENT AT WMHS

Dual enrollment is a program that allows high school students (usually juniors and seniors) to enroll in college courses for credit prior to high school graduation. This allows students to transition from high school to college easily. Students can get a taste of what college is like without being completely overwhelmed with a whole new environment.

To Qualify for Dual Enrollment

Students must meet minimum scores on a standardized test. See page two of the WCS Dual Enrollment Worksheet for details. Note: PSAT & SAT scores can be found on your collegeboard.org account.

To Apply for Dual Enrollment

1. Obtain a copy of your qualifying test score (see above).
2. Select classes that interest you. The district may pay tuition for college courses that are: (1) not offered at the local high school, (2) not a hobby, craft, or recreational course, and (3) not a course in physical or religious education.
 - From your internet browser, go to catalog.macomb.edu
 - Click "Browse Through the Course Catalog"
 - Click on course names for available sections & times
 - Select classes that meet at convenient times and locations.
3. Complete the following application online, only once. It can be found on the Warren Mott Counseling website, or on the Macomb Community College website.
 - **Macomb Community College Application for Admission - New to Macomb**
4. Each semester you apply for dual enrollment, you must complete the following two applications and return them to your counselor. They can be found on the Warren Mott Counseling website.
 - **Macomb Community College Application for Early Admission**
 - **WCS Dual Enrollment Worksheet**
(make sure to include "alternates" for your course selections)

After You Are Approved

- Macomb Community College will send you information on creating an online account, taking a placement test, and registering for classes.
- You will get your textbooks from the MCC Bookstore using funds that have been added to your student account for this purpose. If the cost of your textbooks exceeds the allowed amount, you are responsible for paying the balance
- When the course has ended, you must return your textbooks to the MCC Bookstore, as they are the property of WCS.
- When you receive your final course grades, you must present a copy to your counselor. If you do not report your grades, or if you do not pass a course, WCS will bill you the full cost of tuition and fees.
