Warren, Mi.48092

Dear Mr. Lanni;

The Warren Garden Club, a Branch of Woman's National Farm & Garden Association, has been active in the community since 1937, promoting beautification, conservation and education. Our membership has approved a total college scholarship donation of \$1500.00, to be awarded to two students from a Warren High School. We ask that you make a recommendation to us regarding which student(-s) will best use these funds, based on their high school accomplishments, projected success at the college level and your knowledge of these students. We will make the decision on final distribution of the funds.

Our check will go to the Farm & Garden Foundation Treasurer, and she will disperse the money as you direct, to the schools in which your students are enrolled. Please return the enclosed form (copy as necessary) to the Scholarship Chair no later than **May 8, 2019**, when the students have been accepted at their schools. You will be able to tell them the amount they can count on from us, totaling not more than \$750.00 each. As a guideline, please note that our bylaws state scholarships should be awarded for agriculture, horticulture, forestry, scientific purposes, family and consumer sciences, or a medical profession.

Please inform us if the student (-s) later decides not to attend the school to which we have sent the money. That amount will be returned to us and used by another applicant.

Thank you very much.

Sincerely,

Shelia Stateler, Scholarship Chair
