

# Kathy Kaltreider Scholarship

Kathy Kaltreider was an employee of the Warren Consolidated Schools District for over fifteen years. Kathy began her career as a clerk in the World of Fours program where she made many friends of all ages, including young children, parents, and coworkers. Kathy was passionate about children and making a positive impact in the life of each and every child. Her devotion to children was evident to all who knew Kathy and she truly loved being a part of the education community.

In September 2008, Kathy joined the staff at Warren Mott High School as a counseling clerk in South House. The transition from working with young children to high school students was an opportunity that Kathy embraced. She loved the students and quickly adapted to her new position. Every day in South House Counseling Kathy did her best to make a positive difference for each and every student who entered the office. Kathy's warm personality, quick wit, efficiency, and competence soon won her the respect and admiration of the students and the staff. Kathy loved her time at Warren Mott and made a positive impact on all who knew her.

Sadly, Kathy passed away in February 2009 following a short illness. Her love of students inspired her family to establish an on-going scholarship in her memory. This year, a scholarship of \$1000 will be awarded to a Warren Mott graduating senior who plans to pursue a major in Elementary or Secondary Education or Educational Leadership, and has the desire and determination to continue Kathy's legacy of making a difference in the lives of children.
