Dear families of students enrolled in Advanced Placement courses,

We have collaborated with the Department of Education for the Low Income Reimbursement Program, 2019-20 School Year. This year, the legislative funding will help low-income students and their families. This reimbursement program provides more equity in educational opportunities by removing the financial barrier in taking exams that qualify for college credit.

Students that qualified for the reduced cost for AP exams **and** have already paid will be refunded \$48.00 (allowing a cost of \$7.00/exam). The refunds will come directly from TotalRegistration.

Mr. David Meengs, Principal

Mrs. Jennifer Pritula, AP Coordinator
