

THE SOCIETY OF WOMEN ENGINEERS
AT THE UNIVERSITY OF MICHIGAN
PRESENT

SUMMER ENGINEERING EXPLORATION CAMP

SEE Camp is a one week, co-ed virtual camp for high school students entering grades 10-12 who are interested in engineering. This camp is designed to help students learn about various engineering disciplines and industries as well as learn more about engineering at the University of Michigan.

JULY 11 - 17, 2021

Applications are due February 28th, 2021
