- School pictures are available to all students (Face-to-Face and Virtual). All students are highly encouraged to have their yearbook pictures taken. Yearbook pictures/IDs are free, but you can purchase a Lifetouch package or senior headshot.
- Students should be "dressed to impress" on picture day and follow the Warren Mott dress code.
- Pictures taken during our School Picture Days will appear in the Warren Mott Yearbook and will be your 2020-2021 School ID Picture. *If your photo is not taken, last year's photo will appear in the yearbook for grades 10-12 and if available for grade 9.*
