WARREN MOTT HIGH SCHOOL – GRADE 11

Please carefully consider your course options before selecting courses for your junior year. Remember you are choosing courses and not teachers. For a description of each course, please refer to the WCS Course Guide Book at www.wcskids.net. Scheduling cards **must** contain a parent's signature. Your counselor will schedule an appointment with you after reviewing your requests to discuss and finalize your selections. **Once your requests have been finalized, scheduling corrections will only be completed based on the criteria below:**

1. You need a class to graduate
2. You do not have a full schedule
3. You have already taken a class you are scheduled in

If you fail to turn in a scheduling card, your counselor will create a schedule for you and schedule changes will **not** be permitted.

***Teacher initials required for Accelerated, Honors, and AP Courses**

Courses are semesterized for credits earned, and computing grade point averages and class rank.

Many courses in the English, mathematics, music, science, social studies, vocational, world languages department, as well as WCSPA, CPC, AND MMSTC are considered full year courses. These courses require two semesters to earn a total of one (1) credit. Full year classes will show two course numbers and are designated on the scheduling sheet in bold.

ACCELERATED, HONORS, and Advanced Placement (AP) COURSES

Students selecting these courses must expect a rigorous academic experience, with a minimum of six hours of homework per class per week. Students agree to complete all summer assignments prior to the first day of class and understand that they will not be dropped from the course in the event that summer work is incomplete.

These are year-long courses that may not be dropped at the semester.
