Virtual School Visit

- We understand times have changed due to COVID-19 and some schools are virtual and/or limiting visitors to help reduce the spread and keep students safe. To both respect the school system and rules to keep everyone as safe as possible, we will conduct virtual visits for the time being. This is a great opportunity for students to receive information about their opportunities with the Air Force. The recruiters from the local Macomb, Oakland and Wayne Counties are hosting a Virtual School Visit.
- This will be a Q&A session with 6 local recruiters, along with us going over commonly asked questions.
- All students and parents are invited to log on via Zoom to be able to speak with a recruiter!
